Jared is on vacation all next week. It'd be great to see you next week though. I'm free and I think Tom is as well. If you'd like to meet Alexis (who is my direct supervisor as the Director of the Water Division here), she is free from 2:00-2:30 and then I think 3:30 -4:00.

I'll fax letter in a minute, though it sounds like you know what it asks. If you prefer we refer to a forthcoming DOI/CEQ response to the Fed Leadership Council items, that seems appropriate. They're straightforward questions but it'd best to have one response. - K

Fax no. is 202-208-1873. It appears that all six bay delta action plan agencies got similar letters. I was just getting around to looking for someone here at the department to prepare ours and would be happy to have a look at yours.

By the way, I will be in San Francisco next Friday the 25th and have time in the afternoon. I was wondering whether by any chance Jared Blumenfeld would be around so that I could meet with him and you and whoever else to discuss BDCP and related matters. Things are going to be heating up fast on that front. Thanks,
Letty
